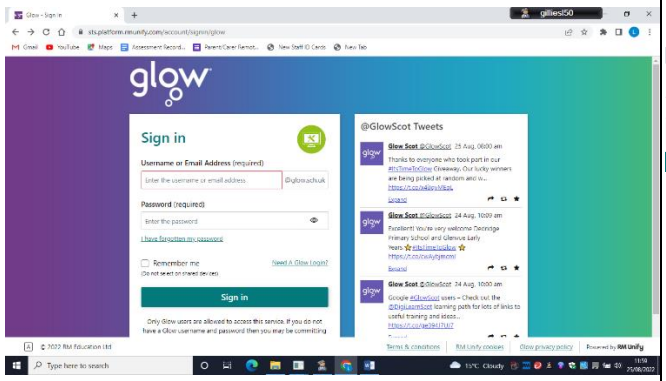
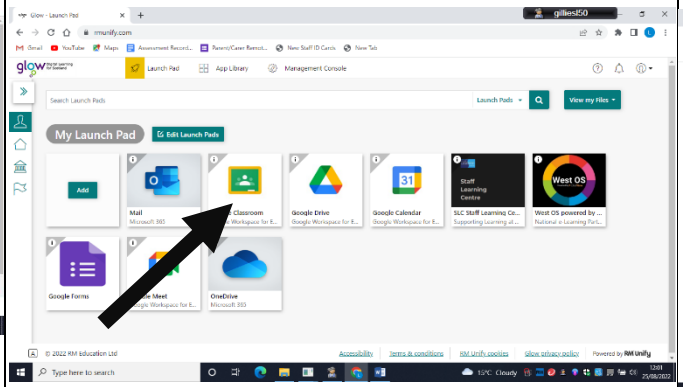
# Accessing Google Classroom

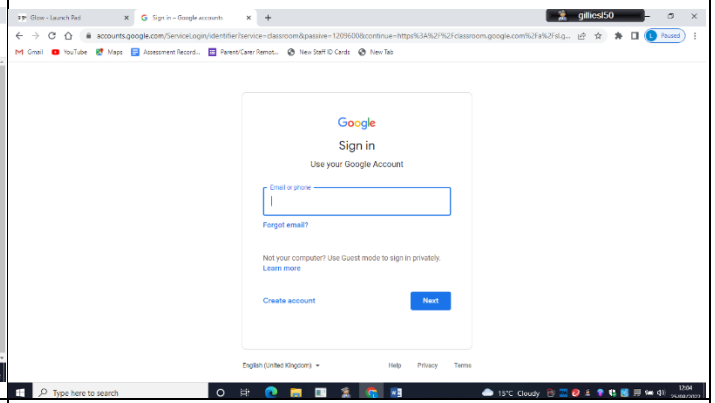
First, log into your Glow account. Your email address will be something like gw10(surname)(first name)@glow.sch.uk



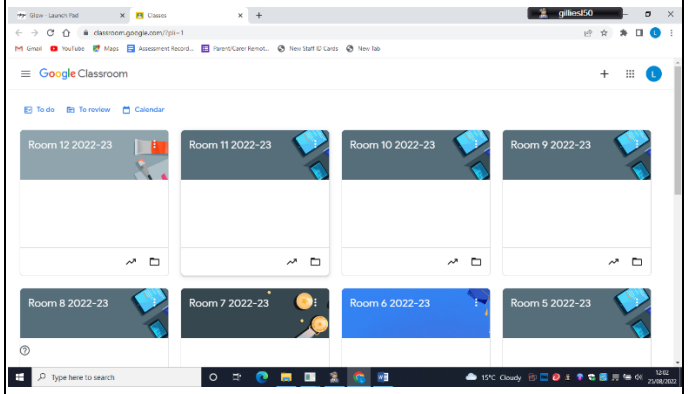
Next, click on the Google Classroom tile.



Then, you will be asked to log into Google. **This must be your school Google information**. The username is similar to your Glow username however it will end differently.
gw10(surname)(first name)**@sl.glow.scot**



You should be attached to a 2022-23 Google Classroom. Click on the relevant class.



If you are not added to your new class you need to click on the + and type in your class code.
