

We are working to develop pupil, staff and parent voice across the school.

We are doing this by:

- Reviewing our school vision and values with input from everyone.

Happiness, Achievement, Respect, Knowledge

- Reviewing our school curriculum rationale to ensure the curriculum we offer meets the needs of our pupils.
- Continuing with Reading Schools accreditation and listening to our stakeholders to gain a silver award.

**Machanhill Primary
School**

**Parents' School
Improvement Plan**

2023 - 2024

In 2023 - 2024 we are working together to improve our school by:

Working hard to develop play-based learning at first level in our P2-4 classes.

We are doing this by:

- Reviewing and evaluating how we currently provide Play / skills Based Learning opportunities for our pupils in P2,3 and 4.
- Establish an outdoor learning through play / skills area for use.

Working hard to improve wellbeing by supporting social communication across the school.

We are doing this by:

- Introducing the Social Use of Language Programme in P1-7 to provide a consistent approach to the development of social skills for all children.
- Establish a revised and updated programme of parental engagement activities for all children in all stages.
