Multiplication
Marathon

Start

Multiplication Marathon

You will need:

- 2 dice
- 2 counters

How to play

- Both players place a counter on the Start square.
- Player one rolls both dice and multiplies the numbers shown.
- Player two rolls both dice and multiplies the numbers shown.
- The player with the higher answer then moves to the next square on the board.
- If both players get the same answer, both players move to the next square on the board.
- Repeat this until a player reaches the Finish square.
