Agenda

Ladies Event profit: £764.00 Stephen confirmed this had been paid into the Parent Council account. He also confirmed that forty-seven tickets were sold and we paid £50 for the hire of the hall.

It was agreed that we would like to hold this again later in the year and we would print proper raffle tickets going forward. Sharon confirmed that there would be enough balloons left over from this event to cover the one later in the year.

Emma confirmed the feedback she received was all positive and people were amazed at what was provided for the £15 ticket price.

The proposed date for the next event was 28th November from 4.00 pm till 10.00 pm, however, Stephen spoke with Matthew and he advised he was booked elsewhere on that date, and a new date of 24th October was agreed.

Sharon raised the nursery sports day & graduation medals and bubbles and following a discussion it was agreed that we would no longer be providing medals or bubbles to the nursery going forward. However, we would continue to provide the balloons to the nursery.

P7 Leavers Barbeque/Disco. Stephen will liaise with Mrs Hamilton regarding the barbeque. Tickets for the disco will now be charged at £1.00 no water will be given, however, a tuck shop will be offered, and a pricelist will be provided nearer the time,

We agreed that we will be looking for a hotplate for future events rather than a barbeque.

Summer fayre: proposed stalls: emergency services, fair rides, tea and coffee, preloved, bouncy castles, popcorn, possible candy floss machine, wine stall, tombola, and human fruit machine. It was agreed that we will be trying to get donations starting soon. The prize was agreed to be the summer paddling pool bundle that Sharon will collect.

Everyone agreed that Sharon would provide the end of term ballons.

Sharon advised she will shortly be in receipt of a signed rangers top that she will sell tickets to raise funds.

The meeting was closed by Sharon who again thanked everyone for their attendance.
